

General Description

You will **create** wireframes and mockups for how FoodSure displays promotional deals (like “10% off first order,” “Free delivery on orders \$25+”) and how a user enters or applies a coupon code. Show brand style. Might appear as a section on the homepage or in the cart.

What the Freelancer Needs / Requirements

- **Design Software**
 - Figma, Sketch, etc.
- **Promotion Listing**
 - A small banner or card for each promo, a CTA to apply or read details.
- **Coupon Entry**
 - A text field for code, a “Apply” button, success/fail message.
- **Styling**
 - Keep brand from Task 1.

Task Description

1. **Task 1**
 - **Wireframe Promotion Display**
 - Possibly a “Deals” banner or a homepage slider with promotional cards.
2. **Task 2**
 - **Coupon Code Field**
 - In the cart or checkout flow, letting user type a code, see success/fail feedback.
3. **Task 3**
 - **Export & Explanation**
 - Provide final design(s).
 - Indicate how discount is shown in the cart total.
